

Indian River Riding Club Access Agreement

As a member of The Indian River Riding Club you have the privilege of permitted access to the grounds on non-show days. 24-hour advanced notice is REQUIRED. To ensure a prompt response, YOU MUST email us at IRRCInformation@gmail.com or message us on our Indian River Riding Club Facebook page for approval. Due to insurance regulations the club requires that the following rules be strictly adhered to.

In case of any emergency you can call either:

Wanda Patterson- (772) 370-3434 or Robert Kirrie- (772) 559-2687

1. We recommend anyone under the age of 17 wearing a helmet when on a horse on club property, but it is not required.
2. Nonmembers are permitted on the grounds at any time as long as they are accompanied by a member of the club. **However** they must under no circumstances bring or ride a horse or other animal on non-show days. **This applies to members who are schooling students also.**
3. Members who wish to use the grounds for schooling may do so but must submit a roster of their students to the club officers. All students must have a current Indian River Riding Club membership.
4. Members **and officers** with the gate combination are reminded they are not permitted under any circumstances to share it with anyone. Any member wishing to access club grounds must attend a regular monthly meeting or a show and sign a copy of this form.
5. All trash must be removed and taken with you.

Please remember this is a serious liability issue. Non-Members are not covered by our insurance when on a horse unless it is a show day. I understand that if I bring a non-member to the arena on non-show days and they get hurt the liability will fall on me.

I have read the above agreement and understand any failure on my part to follow these rules will result in an indefinite suspension of my privileges.
